

WBA SUPPORTERS GOLF SOCIETY STABLEFORD SCORING

AWARDING SHOTS PER HOLE

Before playing your round, you need to allocate your stableford shots to the correct holes on the course card.
These awarded shots will allow you to correctly calculate your stableford points on each hole.

This is done by using the courses S.I (Standard Index) on the card to allocate any additional shots given.

- S.I 1 Being the hardest hole on the course
- S.I 18 Being the easiest hole on the course

NOTE:

LADIES (S.I) STROKE INDEXING is different to the Mens, due to Tee positioning (Red Markers).
Both MENS & LADIES S.I. Will be shown on the card

Any additional Handicap Shots given will be allocated from S.I 1 (hardest hole) upwards until all handicap shots are allocated.

First you must calculate on which golf holes you will be awarded your additional shots.

EXAMPLES:

13 HANDICAP PLAYER

Award 1 additional shot on S.I holes 1-13 = **13 Shots**

18 HANDICAP PLAYER

Award 1 additional shot on S.I holes 1-18 = **18 Shots**

24 HANDICAP PLAYER

Award 2 additional shots on S.I holes 1-6 = 12 Shots
Award 1 additional shot on S.I holes 7-18 = 12 Shots
Total awarded additional shots = 24 Shots

32 HANDICAP PLAYER

Award 2 additional shots on S.I holes 1-14 = 28 Shots
Award 1 additional shot on S.I holes 15-18 = 4 Shots
Total awarded additional shots = 32 Shots

NETT SCORE PER HOLE	PTS
3 Under Par	5
2 Under Par	4
1 Under Par	3
Par	2
1 Over Par	1
2 Over Par or More	0

WBA SUPPORTERS GOLF SOCIETY COMPLETING A SCORE CARD

EXAMPLE SHOWN BELOW:

Joe Bloggs - Players card is a 24 handicap player
H/C has 2 Shots on 6 Hardest Holes (Circled)
H/C has 1 Shot on 12 remaining holes
H/C = Total 24 Shots

Marker (i.e. is an 18 handicap player)

Date of Competition

Name of Player

Name of Competition

Handicap of Player (Shots given)

MENS S.I STROKE INDEX 1 = Hardest hole 18 = Easiest hole

LADIES S.I STROKE INDEX 1 = Hardest hole 18 = Easiest hole
